

Order of Events

There is an assortment of meat cuts up for raffle each round (approx 8-10 items). They vary and can range from steaks to chicken. All the meat products are picked up fresh from Cribb Fine Foods the day of the raffle. Tickets are sold for each round at \$1 or 6 for \$5. After the winning tickets are pulled each round, a new round begins and new tickets are purchased for the next round. Old tickets can be turned in for \$1, no matter the amount, for the final 50/50 drawing. We save some of the bigger items to auction off at the end of the eight individual raffles. You are welcome to observe the raffle. The Canteen will be open for normal business. The juke box just has to be paused to call out the winning tickets.
